

Rose Stackpole

Rose started artistic swimming in New Zealand and moved to Perth in 2014 to pursue her Olympic dream with the Australian team. Rose was selected for the 2016 Olympic Team in the duet and team events. In WA, Rose represented West Coast Splash Synchronised Swimming Club as an athlete and was a coach at SupaNova Synchronised Swimming Club.

Rose was honoured to represent Australia at many FINA events and was given the opportunity to be trained under some of the top coaches in artistic swimming.

Rose has recently retired as an athlete to continue her degree in psychology. As a coach Rose has recently been selected as the assistant coach for the Junior National Team.

Rose is excited to have been elected to the Synchronised WA board and to be a part of creating a bright future for West Australian athletes.
