

Hannah Cross

Hannah has been involved in artistic swimming since 2011, when she first joined Golden Fish Synchronised Swimming Club in Victoria. She was selected for her first Senior National Squad in 2014 and was then selected for the 2016 Olympic Team. She has represented Australia at many international FINA events, including World Championships in 2015, 2017 and 2019.

Hannah has recently retired from being an athlete and is now focusing on completing her business degree and her job at Roy Hill, a company whose majority owner is our Patron, Mrs Gina Rinehart. She is excited to bring her knowledge of business/finance, as well as her relationship with Hancock Prospecting to help the Board create the best possible future for the Synchro WA community.
