Swimming
WA

What's been happening in the month of June?

- Incredible turn out from the ASWA community at the Hancock Prospecting Australia Team Display
- New WA club announcement
- Successful Aquastart course and June Come & Try's

Hancock Prospecting Australian Artistic Swimming Team Display

Thank you to everyone who joined us in supporting the Hancock Prospecting Australian Artistic Swimming Team at the display on the 29th of June. The turnout and overwhelming support was truly incredible with over 450 audience members to wish the team the best of luck for the Paris 2024 Olympic Games.

New Club Announcement: Swan River Sirens

Exciting News! A warm welcome to the newest addition to our community, the Swan River Sirens based in Bayswater! This brings ASWA total number of clubs to 7 in the state, which shows amazing growth in our state.

Coaches Workshop

ASWA ran a successful coaches workshop where the coaches learnt about the pathway skills development program and athlete safety.

Thank you for everyone who attended and don't forget about our upcoming workshop on the 24th of August.

Come & Trys/ Aquastart course

ASWA held great Come & Try events in Perth's South West with a high energy and passionate group of participants. We also ran an Aquastart course for those interested in becoming an Artistic Swimming instructor. Thank you to Camille Claudino our ASWA Development Officer for running these events.
