Artistic  
Swimming  
WA

## What's been happening in the month of August?

- August Figures Competition
- Building Blocks to Brisbane Part 2
- Artistic Swimming Olympian Emily Rogers visits WA primary schools.

### **Hancock Prospecting Australian Olympic Team stun at the Paris 2024 Olympics**

We saw an incredible performance from the Hancock Prospecting Olympic team in all events. The whole team produced incredible results with new personal bests in all team routines. Rayna and Kiera did an incredible job in both of their duet events, closing out the Olympic Journey! We are so proud of their performance and can't wait to see what comes next for the Hancock Prospecting Artistic Swimming Australian National Team.

### **Figures competition**

We held a great figures competition at HBF stadium on the 18th of August. All of our athletes did a fantastic job and we are so proud of the results. Congratulations to all of our award winners! We can't wait to see another great performance at our next figures competition on October 6th.

### **Building Blocks to Brisbane Part 2**

Part 2 of our Building Blocks to Brisbane program was held on the 25th of August and it was a great success! The swimmers participated in both land and water training sessions and had a wonderful time. We are so impressed with the progress our swimmers are making and we can't wait to see this continue.

### **Inspiring the future generation**

Emily Rogers visited and spoke to the lovely kids at Brentwood and Poseidon Primary Schools. The kids were thrilled to hear about her journey, learn about the importance of perseverance and teamwork, and ask questions about what it takes to reach the top. Thank you Emily for sharing your story and motivating our young athletes!
